“ *Family,*
This week has felt especially heavy as we mourn the loss of our beloved cousin — gone too soon! 💔 Though our hearts ache, it is critical that we hold onto the loving memories that we each shared with Donta. ☐ 🟪

May we all find strength in one another, and peace in knowing that God is close to the brokenhearted. ☐ 🛐

Wishing comfort, continued favor, and moments of light even in this dark time. Let's hold each other close and cherish every moment that remains. 🙏 🕊

With much love, grace, and prayer,

“ As a little girl, you were at my house or I was at yours .. or sometimes we'd all meet in the middle at my Granddaddy's or Connell's house. It was always us. The Ormondsville Crew. We were playing kickball, tag, or chasing each other on bikes. The memories are bittersweet now. My heart goes out to Brenda & Meat. You were certainly loved, and for sure will be missed. Hug our granddaddys, hug my daddy, and kiss our grandmothers for me.

Brenda, I'm so sorry to see this. I know it is so hard and I want you to know that I care when I know someone that is hurting. You may not remember me from school, but I certainly remember you. May God bring all of you peace.

“ *To my family, during this difficult time, words are hard to come by, but know that our prayers are with you. It's been a long time since I've seen a lot of my family, but know the love remains. Life is filled with many different trials that we all must face one way or another. Some things we have no control over and others we could endure or avoid, given our choices. No matter what comes our way, God never fails to bring us through and overcome. Donta, will be missed and was loved by many. Sleep well Cuzo, your race has been run...*
