“ *It is with great sadness and heartfelt emotions when learning of our Aunt's passing on Monday, September 10, 2018.*

We remember our Aunt Tiny Lee growing up as young children, visiting her home every summer, welcoming everyone with a smile, cooking us good and tasty food every time we visited, and just having open arms and good down home southern charm - these things will never be forgotten.

Her enthusiastic personality was that of a spirit-filled woman, which made it so comforting to be around her.

Aunt Tiny Lee, you will be missed and your cheerful and sensitive persona will never be forgotten.

Our sincerest and deepest condolences to the family, with much continued love, peace and blessings!
